Fairmont
HERITAGE PLACE
GHIRARDELLI SQUARE, SAN FRANCISCO

San Francisco is a city of seekers and dreamers, entrepreneurs and artists, perched on the western edge of America, caressed by the Pacific Ocean.

While Rome is built on 7 hills, San Francisco has 50, surrounded by water on three sides. And it is renowned as an international destination, famous for microclimates, lively street scenes, sailing regattas, an eclectic mix of Victorian and modern architecture, and famous landmarks.

It boasts culture both classic and cutting edge. Plus it's surrounded by the Golden Gate National Recreation Area – one of the world's largest urban national parks, hugging the coastline in and around San Francisco for nearly 60 miles.
